

We believe in responsible food and agriculture®

PERDUE FARMS AT A GLANCE

PERDUE FARMS is a US food and agricultural products company based in Salisbury, Maryland. Since our beginning on Arthur and Pearl Perdue’s Farm in 1920, to our expansion into agribusiness and introduction of the PERDUE® brand of chicken under Frank Perdue, and continuing with our third generation of leadership with Chairman Jim Perdue, we’ve remained family owned and operated. As we approach our 100th anniversary in 2020, our path forward is about getting better, not just bigger. We continue to listen — and respond — to consumers, customers and other stakeholders, continuously innovating and improving in what we produce and what we do.
