ABOUT THE NUMBERS IN THIS REPORT

Numbers in this report cover the 12-month period ending December 31, 2019. Community Impact is estimated by using state specific multipliers as defined by poultry industry economic impact data.

WE BELIEVE IN RESPONSIBLE FOOD AND AGRICULTURE

Our approach to corporate responsibility is summed up in the phrase: We believe in responsible food and agriculture. That philosophy supports our Corporate Vision: “To be the most trusted name in food and agricultural products.” Our belief in responsible food and agriculture plays out in our relationships with all of our constituents, and encompasses our commitment to being a leader in quality, food safety, environmental stewardship, animal welfare, community involvement, associate well-being and strengthening agriculture.

- We believe in responsibly producing safe, high quality, affordable food and agricultural products for customers and consumers worldwide.
- We believe in responsibly helping customers prosper with flexible, forward-thinking solutions for agriculturally based products from a uniquely trusted name.
- We believe in being responsible stewards of our natural resources.
- We believe in responsibly raising animals for food.
- We believe in being a responsible employer, investing in our associates’ growth, safety and well-being.
- We believe in supporting the communities where and with whom we do business.
- We believe in working to enable the economic sustainability of our partners and our company.

A FOUNDATION FOR COMMUNITY SUPPORT

Company founder Arthur W. Perdue recognized the importance of supporting our communities back in 1957, when the Franklin P. and Arthur W. Perdue Foundation was first established. Carrying on the tradition, Frank Perdue provided for the future of the Foundation through the generous support of his estate. The Foundation provides grants on behalf of Perdue Farms to benefit communities where large numbers of our associates live and work.

In 2019, the Franklin P. and Arthur W. Perdue Foundation awarded grants totaling more than \$1.3 million to 93 non-profit organizations to improve the communities where our associates live and work.

SUPPORTING OUR COMMUNITIES

Our corporate giving is guided by the belief that we can make the most difference by supporting our communities through a grassroots contributions program and the volunteer efforts of our associates. We strive to strengthen our communities by supporting education, agriculture, food safety, environmental sustainability, health and social services, public safety, youth programs and fighting hunger and poverty. We also support events that celebrate the heritages and cultures of our communities.

Monetary contributions are managed through two programs. Each major Perdue location has discretionary funds to support local charitable programs where large numbers of our associates live and work, while the Franklin P. and Arthur W. Perdue Foundation underwrites larger grants. In both programs, we believe in putting our resources where there is direct benefit to a broad spectrum of the community.

FIGHTING HUNGER

We believe that in a country as rich in resources as ours, no one should have to go hungry. That is why Perdue partners with Feeding America and its network of community food banks and pantries to ensure the safe and effective distribution of our product donations. We are committed to making a minimum annual donation to Feeding America of four million pounds of food.

Since 2000, Perdue has donated more than 81 million pounds of protein nationwide through Feeding America.

Franklin P. & Arthur W. Perdue Foundation

OUR COMPANY AT A GLANCE

PERDUE FARMS

We're a fourth-generation, family owned, U.S. food and agriculture company. Through our belief in responsible food and agriculture, we are empowering consumers, customers and farmers through trusted choices in products and services.

The PERDUE® brand is the number-one brand of fresh chicken in the U.S., we're the largest producer of organic chicken in the U.S., and Perdue AgriBusiness is an international agricultural products and services company. Now in our 100th year, our path forward is about getting better, not just bigger. We never use drugs for growth promotion in raising poultry and livestock, and we are actively advancing our animal welfare programs. Our brands are leaders in no-antibiotics-ever chicken, turkey and pork, and in USDA-certified organic chicken. Learn more at www.perduedfarms.com.

PERDUE FOODS

Perdue Foods vision is to be the most-trusted name in premium proteins. We raise animals for food sold under our PERDUE®, PERDUE SIMPLY SMART®, PERDUE HARVESTLAND®, COLEMAN NATURAL®, COLEMAN ORGANIC®, ROCKY®, ROSIE®, RANGER®, DRAPERY VALLEY FARMS®, NIMAN RANCH®, PANORAMA®, DINO®, YUMMY® and PASTUREBIRD®, and customer loyalty make us a leader in all vegetarian-fed, no-antibiotics-ever chicken, turkey, pork and beef, USDA certified organic chickens and animal care. We serve retail and foodservice customers across the U.S. and around the globe. Through the SPOT FARMS® and FULL MOON® brands, we make premium pet treats and pet foods made in the USA using "human-grade" ingredients with no fillers or animal byproducts.

PERDUE AGRIBUSINESS

Perdue AgriBusiness is an international agricultural processing and merchandising company. We source, merchandise and process agricultural commodities. Our diverse portfolio of products includes conventional and organic grains, soybean meal, precision-blended feed ingredients, and conventional and specialty seed oils for food and other uses. We help our customers and family farmers prosper with flexible, forward-thinking solutions. Our business started as a family farm, and we know our future depends upon continuously earning the trust of farmers and customers. Learn more at www.perdueagribusiness.com

Community Involvement

Gainesville Operation

The Gainesville operation supports the community through the Georgia Mountain Food Bank of Gainesville by way of product donations, a food drive, Empty Bowl Lunch Fundraiser sponsorship, and support from the Perdue Foundation. The team also supports the community through Project Clean Stream, Boys and Girls Club of Lanier, American Cancer Society, Susan G. Komen Cure Walk, Boys and Girls Club Eagle Ranch, Humane Society through monetary donations, Greater Hall Chamber of Commerce Hallmark program through monetary donations, Out of the Rain benefiting at-risk female youth by way of volunteering, and the Chamber Chase 5K run/walk. Perdue also supports the Hall County school systems by participating in the Project Graduation for seniors providing product donations for all high school graduates and their family to celebrate their senior cookout. Perdue supports Women Are Dreamers Too Inc. through Perdue Foundation funding and partners with Northeast Georgia Poultry Processors by interviewing Lanier Technical College students who have completed a five-week certification course.

Perry Operation

Perdue's Perry operations support the community with company donations and associate participation through such organizations as Special Olympics, Fort Valley Feed Center, Perry Chamber Leadership Academy, Rivers Alive, Adopt a Highway, American Red Cross, United Way, Middle Georgia Community Food Bank, Loaves and Fishes local food pantry, Houston County Adopt a Family Christmas Program, Genesis Boys Home, Macon-Bibb NAACP chapter, Perry Volunteer Outreach, Houston County First Responders/Fire Department, Houston County Business, Industry, and Education Alliance, and fund raisers for local schools.
