

Perdue HealthWorks

Working for a healthier you.

WELCOME TO THE PERDUE TEAM!

We're Glad You're Here

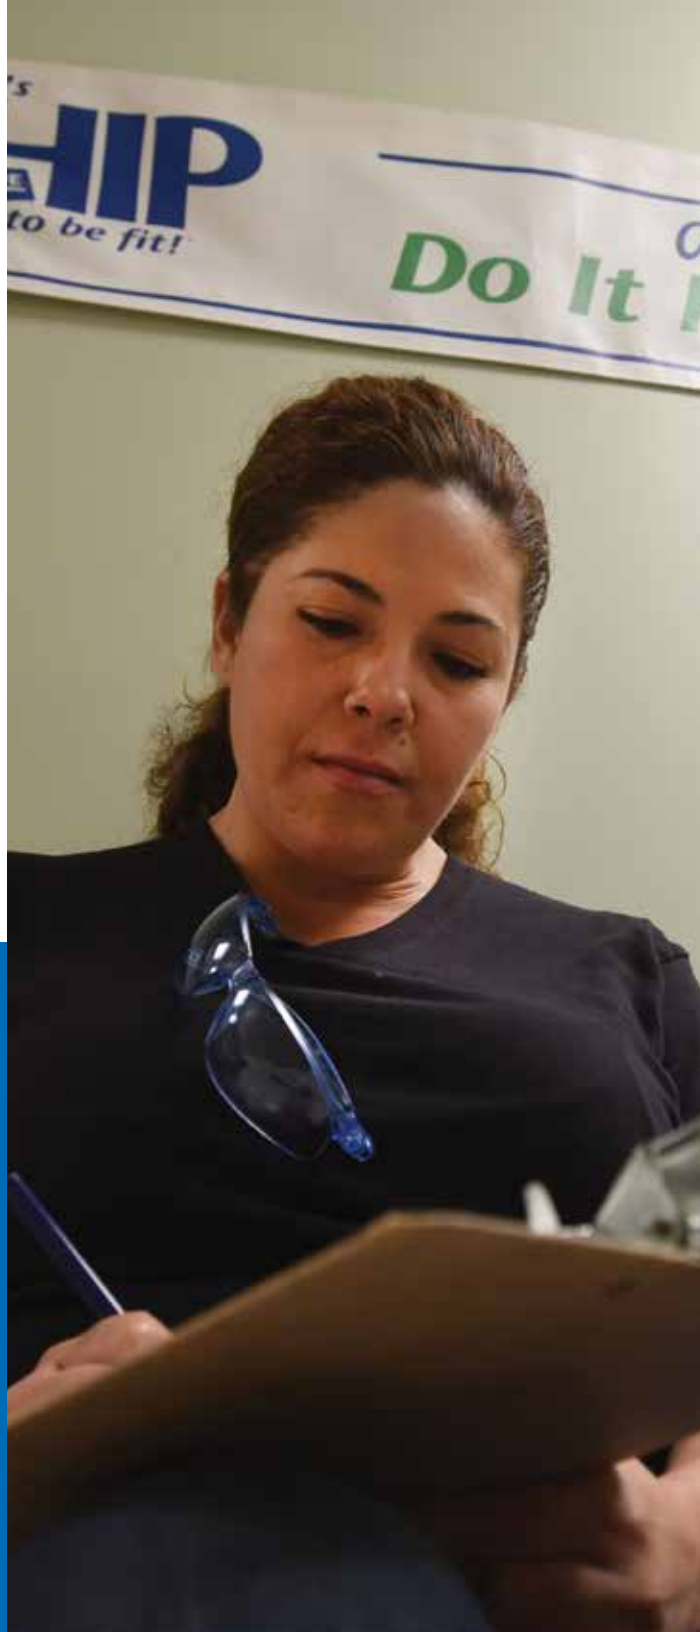

Perdue Wellness Centers are one-of-a-kind on-site doctor's offices exclusively available to Perdue associates and their families.

These centers work for you by offering a wide range of quality healthcare services you don't have to clock out or leave the building to use.

They're faster, more convenient and less expensive than an Immediate Care facility, and offer the same privacy as when visiting any other doctor's office.

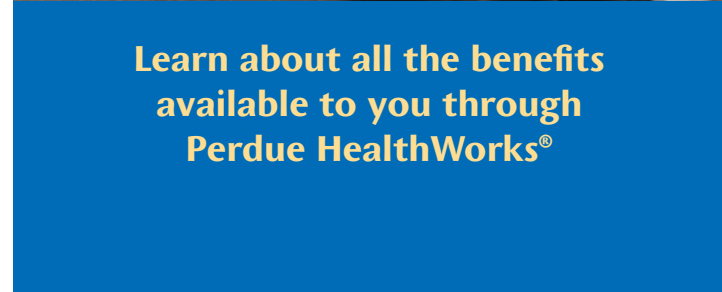

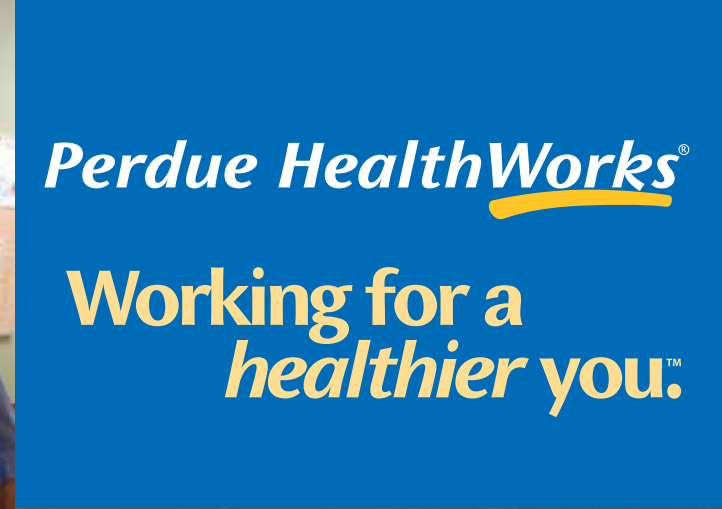

Plus, your first visit is FREE just for giving the Wellness Center a try.

Visit your on-site Wellness Center today to save time, money and get back to being healthy faster.

Learn about all the benefits available to you through Perdue HealthWorks

THE PERDUE WELLNESS CENTER

The Perdue Wellness Centers are one-of-a-kind on-site doctor's offices exclusively available to Perdue associates and their families.

With the Wellness Centers, we worked hard to put quality healthcare at your fingertips by offering a wide range of services right where you work.

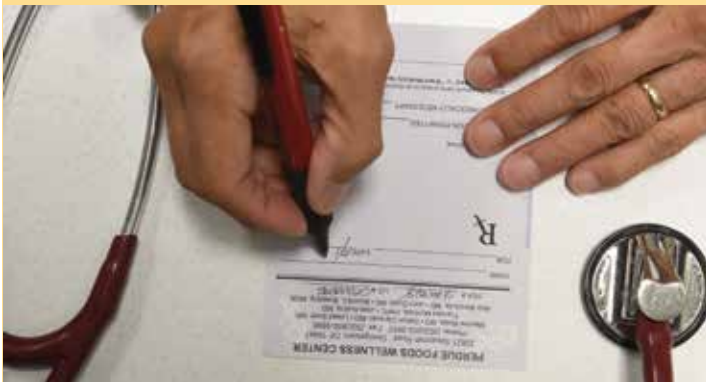

This means you don't have to clock out or leave the office for things like:

- Annual Exams and Checkups
- Sick Visits for Colds, the Flu, Infections and more
- Medication Refills
- Routine Preventive Care
- Lab Work
- Women's Health
- Much More!

Whether you need a physical, have a fever or have a prescription that needs filled, the highly qualified physicians, nurse practitioners and health professionals at our Wellness Centers are ready to help, often with no appointment needed.

Our program offers top quality medical care and the same privacy as when visiting any other doctor's office. Plus, if you need more specialized care, you can get the referral you need to get the maximum coverage.

Our Wellness Centers will help you save time and money so you can get back to being healthy faster.

PERDUE HEALTH IMPROVEMENT PROGRAM (HIP®)

The Perdue Health Improvement Program (HIP®) was created to help you take a proactive approach in improving your overall health.

Whether you're working to be more active, training for a race or monitoring an ongoing issue, this program works for you to help reach your goals and continue living a healthy life.

HIP® can support your mission to get or stay healthy with the following services:

- Preventative Care
- Free Labs (Cholesterol and A1C)
- Quick and Easy Lab Collection – Less Than 5 Minutes!
- A One-on-One Health Coach

Our well-qualified staff is ready to help you take control of your wellbeing and keep you on a path towards a healthier you.

Perdue HealthWorks®

Perdue HealthWorks® is designed to make living well as easy as possible. Our comprehensive program works for you on your terms, helping you get healthy and stay healthy without the hassle of leaving work. Plus, it's **completely confidential** – you receive the same ethical and privacy standards as you would at any doctor's office.

Our two main initiatives – the Perdue Wellness Center and the Perdue Health Improvement Program (HIP®) – offer quality care, simple convenience and a high level of support for your health needs.

Learn more about this industry-leading program and how you can take advantage of all the unique benefits these programs offer.
